

Unit 1 Self Assessment

Unit 1: Expressions and Equations

- I can identify the parts of an expression.
- Given values for variables. I can evaluate an expression.
- I can solve a linear equation.
- I can solve formulas for a specified variable.
- I can solve an absolute value equation in one variable.
- I can perform unit conversions.
- I can write the equation in one variable that best models the problem.
- I can interpret solutions in the context of the situation modeled and decide if they are reasonable.
- I can solve and apply a unit rate.
- I can solve a proportion.

Homework due Thurs, Aug 22: signed syllabus

Lesson	Due Date	Concept	Section	Assignment
Day 1	Mon, 8/26	Variables and Expressions	1-1	Handout 1.1
Day 2	Wed, 8/28	Solving One-Step Equations	1-2	Handout 1.2
Day 3	Fri, 8/30	Solving Multi-Step Equations	1-3	Handout 1.3
Day 4*	Wed 9/4	Solving Equation with Variables on Both Sides	1-4	Handout Task Review
Day 5	Fri, 9/6	Task/Quiz		Handout 1.4
Day 6	Tues, 9/10	Solving for a Variable	1-5	Handout 1.5
Day 7	Thurs 9/12	Solving Absolute-Value Equations	1-6	Handout 1.6
Day 8	Mon 9/16	Rates, Ratios, Proportions	1-7	Handout 1.7
Day 9	Wed 9/18	Unit 1 Review	Review	Unit 1 Practice Test STUDY!!!
Day 10***	Fri, 9/20	Unit 1 Test	TEST	NONE

* Indicates a quiz, covering all material up to and including this lesson.
 *** Indicates a unit test, covering all material in all assignments.
